Refund Policy

Students who are admitted and register for classes at Ringling College of Art and Design are financially responsible for fees and charges associated with those classes. Students who officially withdraw from **all** courses during the first eight weeks of a semester will receive tuition, technology fee, and board refund in accordance with the following schedule:

Withdrawal before the end of:	Tuition/ Technology fee	Housing	Board
10th day of semester	90%	None	50%
26th day of semester	50%	None	None
57th day of semester	25%	None	None
58th day of semester, and thereafter	None	None	None

In accordance with Florida law, a full refund of tuition and registration fees paid by the student is available prior to the commencement of instruction, if the student submits a written request to the institution within three working days of the payment. All refunds will be paid within 30 days of the student's official withdrawal date.

Title IV Federal Financial Aid

Students who receive funds from the Federal Pell Grant, Federal SEOG, Federal Stafford Loan or Federal PLUS Loan and withdrew from the College are subject to the Return of Title IV Funds regulations.

Students with funds from any of these programs "earn" their financial aid dollars while enrolled. If a student withdraws prior to completing 60% of a semester, a prorated portion of the federal financial aid dollars must be considered "unearned" and returned to the federal programs. Unearned

financial aid dollars which have to be returned to the federal aid programs could cause students to owe the College a significant amount upon withdrawal.

In addition to the amount of federal aid the Ringling College of Art and Design must return, students who received financial aid for other educational costs, including off-campus living expenses, may be required to repay a portion of those funds to the federal programs. Failure to return aid due back to the federal aid programs will result in loss of eligibility for federal financial assistance.

Past Due Indebtedness

Students are expected to keep their accounts current. Any student with past due indebtedness is not allowed to participate in pre-registration, room lottery, registration, enroll for any subsequent semester, obtain an official transcript or a diploma. The College reserves the right to cancel the enrollment of a student with past indebtedness; the cancellation of enrollment, however, does not relieve the student of the incurred debt.

In the event an account becomes delinquent, the College reserves the right to assign the account to the credit bureau and/or a collection agency, at which time the student may be responsible for all associated collection fees, costs, and expenses incurred in such collection efforts.
